

HOW DO WE BUILD UNDERSTANDING?

Observing Closely & Describing What's There

What do you see and notice?

Wondering & Asking Questions

What's puzzling about this?

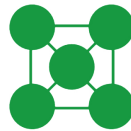

Making Connections

How does this fit with what you already know?

Considering Different Viewpoints

What's another angle on this?

Building Explanations & Interpretations

What's really going on here?

Reasoning with Evidence

What are you basing that on?

Uncovering Complexity & Going Deeply

What lies beneath the surface?

Capturing the Heart & Forming Conclusions

What's at the core or center?
